Subject Index

(C) correspondence
(E) editorial
(M) meeting report

Entries for Supplement No. 1, which has separate pagination, are identified by the abbreviation 'Suppl. 1'

Sections of the Royal Society of Medicine are listed under their individual names, e.g. Anaesthetics, Section of

abdominal injuries, gunshot and bomb blast, 542
abdominal pain in childhood: hospital admissions, 772
accident and emergency departments or general practice for minor medical problems and trauma?, 879
acromegaly with sleep disturbances relieved by yttrium-90 pituitary implant, 209
acupuncture: effects on asthma, 245, 670(C), 917(C)
adriamycin treatment of mixed tumour of liver, 743
aged: arthritis, 389
aging and the ocular adnexa, 900
airway obstruction, chronic upper: flow volume loop examination, 425
airway response to oral ethanol in normal and asthmatic subjects, 699
alcoholism in elderly: Edinburgh psychiatric services, 177
alopecia areata treated with topical minoxidil, 963
amoebiasis, 190, 564(C), 565(C), 920(C), 987(C)
ampulla of Vater, endoscopic cannulation of: relaxation of duodenum by Buscopan or glucagon, 21
anaemia, sickle cell, and multiple cerebral infarctions, 550
—, —: exchange transfusion in life-threatening sickling crises, 777
anaesthesia in anephric patients: use of atracurium, 336
anaesthetic breathing systems, Lack, Magill and Bain, compared, 513
anaesthetics: pain relief clinics, 151(E)
Anaesthetics, Section of, 117, 336, 513, 841, Suppl. 1
anaesthetists and continuing problem of pain, 117
anal carcinoma, 284(M)
analgesia for burns dressing, Suppl. 1, 33, 36
analgesics after surgery: some patients don't need them, 705
Anderson-Fabry disease, renal transplant, 557, 987(C)
angiokeratoma corporis diffusum: renal transplant, 557, 987(C)
Anglo-German proctology meeting in Munich, 284(M)
Anna O: what was wrong with her?, 129
anticoagulant therapy, long-term, prevents recurrent venous thromboembolism, 289(C), 569(C)
anus: chronic perianal pain, 96
—: management of perianal Crohn's disease, 414
anxiety measurement in psychotherapy, 958
arteriography, selective, causing infarction of parathyroid adenoma, 978
arteriosclerosis: umbilical vein graft for lower limb ischaemia, 228
arthritis and cryoglobulinaemia in association with lymphadenopathy mimicking lymphoma, 346, 670(C), 916(C)
arthritis in the aged, 389
—, juvenile rheumatoid: adult onset, 474
asthma, acute severe: treatment, 138(C)
—: airways responses to oral ethanol, 699
—: effects of acupuncture, 245, 670(C), 917(C)
—: evaluating health education, 625
—: occupational, 225(E)
—, propranolol-induced attack, and myocardial

infarction, 661

asystole, management of, 568(C)

bark, blisters and the bathe: some problems of pain relief in former times, 812

behaviour and disease: clinician's dilemma, 498

— management: practical applications, 287(M)

biliary atresia, extrahepatic: results of surgery in 88 infants, 408

biopsy, needle, of liver, 736

bladder in multiple sclerosis, 75(E)

bladder neoplasms: phaeochromocytomas, 17, 484(C)

blood glucose: effect of combined oral contraceptives, 234

blood loss during surgery: induced hypotension, 149(E)

bomb blast and gunshot injuries in Belfast, 542

Journal of the Royal Society of Medicine
Supplement No. 1, 1982

Modern Trends in Burns Care

Edited by C C M Howie, J Brown and
A P Adams

A symposium held by the Section of Anaesthetics of the Royal Society of Medicine, London, on 5 June 1981, and published by the Royal Society of Medicine with the financial support of May & Baker Ltd.

Copies may be obtained from the Publications Department, Royal Society of Medicine, Chandos House, 2 Queen Anne Street, London W1M 0BR

Price: £2.25 postage paid (£1.75 for RSM members and JRSM subscribers)
